EDUCATION

- **University of Virginia, School of Engineering and Applied Science** — Charlottesville, VA
  Bachelor of Science in Computer Science — *Aug. 2015 – May. 2019*

INTERESTS

Full-Stack Development, Product Management, Discord Bot Development

EXPERIENCES

- **Freeflow** — (Remote) Washington, DC
  Co-Founder — *Nov 2021 - Mar 2023*
  - A Discord-based developer marketplace focused on web3. Facilitated over 500 hires and produced $2M in GMV.
  - Built a Discord bot with 200+ daily active users and web applications to generate proposals, profiles and a smart contract based escrow.
  - Raised venture funding and completed the Techstars Boulder accelerator.

- **Sometime.ai** — (Remote) Palo Alto, CA
  Co-Founder — *Nov 2020 - Aug 2021*
  - **Django/React**: Built a Calendly alternative for freelancers. It allowed them to dynamically time-block meeting and focus hours. Turns out this tool was just a nice to have so I moved on.

- **SLAC National Accelerator Laboratory** — Palo Alto, CA
  Software Engineer — *Aug 2019 - Nov 2021*
  - **Django/Flask/React**: Developed web applications for US electricity grid management and load modeling. Including a California smart charger infrastructure planning tool to handle EV adoption and an electric utility planning and operations platform for Holy Cross Energy in Colorado, which serves 60,000 people.

- **SLAC National Accelerator Laboratory** — Palo Alto, CA
  Intern — *Summer 2018*
  - **Team Website**: Created the organizations landing page with custom animations and connected it to Google Sheets for no-code updating.

- **TekPodcast** — Online
  Co-Host — *Nov 2020 - May 2021*
  - Weekly running podcast about technology in Turkish. Did deep dives for non-technical audiences on blockchain, gadgets and software.

- **Your UVA** — Charlottesville, VA
  Web Admin — *Nov, 2018 - May 2019*
  - **WordPress**: Maintained the existing WordPress website for a student-led blog.

- **Fourth Year Engineering Student Council** — Charlottesville, VA
  Executive Board Member — *Aug 2018 - May 2019*
  - Organized social, academic, and service events and programs for the graduating engineering class members of the undergraduate student body in order to encourage SEAS school spirit and pride.

- **Turkish Student Association at UVA** — Charlottesville, VA
  President — *Aug 2017 - May 2018*
  - Managed six other committee chairpersons in order to host monthly events consisting of cultural gatherings, Turkish Holiday Celebrations and Fund Raisers.
  - Raised funds to support the yearly education cost of 6 students in Turkey.
